Sir Bobby Charlton, 83, has Dementia - the fifth member of 1966 World Cup-winning team to have been diagnosed

Sir Bobby Charlton has been diagnosed with Dementia, the Manchester United and England legend's family have confirmed.

The 83-year-old is the fifth member of England's 1966 World Cup-winning team to suffer from the neurological condition.

The news emerged just two days after Charlton's former United teammate Nobby Stiles passed away at the age of 78 and three months after his elder brother Jack died at 85.

Coronation Street's Chris Gascoyne shares family's struggle with Dementia

Chris Gascoyne is best known for playing Peter Barlow in the ITV soap opera Coronation Street. The actor has often kept quiet about his private life but in a rare interview, he spoke about his gran's battle with Dementia and how it loomed large over his childhood. Speaking to Manchester Evening News, Chris recalled how his grandparents had come to live with him and his parents after the family realised something was wrong.

On a chilly October morning, the Members of Castle Royle Golf Club gathered, socially distanced, to play rounds of golf and take part in a silent auction. Despite not being able to have their usual fundraising lunch, they raised an incredible amount for 'ADS'.

We very much appreciate all the work that went into organising the event, which had first been postponed due to bad weather and to the Club Members for their generosity.

OUT & ABOUT CHRISTMAS ADVENTURES

As we face a very different Christmas with reduced numbers around our festive table, I recalled a topical outing. I also came across a joke suggesting how to get around the COVID restrictions: “Kill the turkey and host a funeral for it. Now you can invite 30 guests!”

Several years ago, on a beautiful autumn day, we visited COPAS' turkeys in Cookham and became experts on the subject. We donned our wellies, dipping them in disinfectant, before taking a stroll to meet these ungainly birds. What a noise they make!

The bronze turkeys were “free range”. The white turkeys were in the barn. You might wonder why the white turkeys are restricted to being indoors. They are not being given an inferior life. They simply do not thrive outdoors. Indeed, all the turkeys at COPAS have a longer life than many birds destined for supermarket freezers. By giving them a longer life there is more fat on them, making them a tastier bird.

A white turkey tastes as good as a bronze turkey. Humans just think brown is superior to white and are prepared to pay more.

If fireworks bother you or your pets, you are in good gobbling company. Turkeys are also scared of fireworks and peck at each other. When they peck, they mark the skin and become Grade 2 Turkeys (albeit that they taste the same). In the run up to our firework season, the turkeys are gradually exposed to fireworks to help them adjust.

We did visit the slaughterhouse, but I won't go there. One of my team has never forgiven me for this visit! All I will say, in the run up to Christmas, there are no gobbling noises.

Peace on earth reigns.

OUT & ABOUT CHRISTMAS ADVENTURES

O&A are usually busy crafting in the run up to Christmas. A favourite is the making of our Christmas Wreaths at Waltham Place, whilst wearing Santa Hats and Singing along to Christmas Carols and Songs.

The wreaths are made from natural materials. We do not use moss, which is not considered to be environmentally friendly. Instead we use Cornus, Willow or Old Man's beard, which is easy to bend into a ring. Old Man's beard is found growing wild, so take your secateurs and do a bit of "community service".

To make the framework, bend and tie the Cornus, Willow or Old Man's beard with string. If you use two or three lengths, you can form a strong framework. Then tie your foliage, berries and cones to the framework and add a string loop, so you can hang it. You can choose to either cover all the wreath or leave some of the frame visible. If you use Cornus, it comes in rich shades of red, green and yellow, so is beautiful in its own right.

Making a wreath is really that simple and at the end of the season, it is fully compostable.

With a turkey in the oven and a wreath on our door, Christmas is not cancelled. It will just be different and a tale to share with future generations. Full of optimism, the Out & About Christmas lunch for 2021 is already booked and turkey will be on the menu!

ONLINE SERVICES

IN & AT HOME - ONLINE

Every **Wednesday at 3pm** there is an **“In & At Home” Zoom Meeting** which lasts an hour. This service is suitable for those with early stage Dementia and of course you need access to Zoom on a phone, IPAD or laptop. Often the person with Dementia finds it reassuring to have their Carer participate, which assists with communication and adds to the fun. Joining this service, could be a stepping stone to joining our Out & About Service, when we are able to resume, if eligibility criteria is met.

Some people with Dementia do not engage with Zoom, but if you, but if you are a Carer and would like to join us, you too are very welcome. It also might offer a short time of light relief for you during the Winter months. Our sessions always begin with sharing what we have been up to during the week. We then do a virtual activity, such as a Quiz or a Reminiscence Topic. It is amazing what we learn! The sessions are visually illustrated and often include video clips. Fun and laughter is the essence.

Our Out & About Service Coordinator, Sandra Williams leads this Zoom meeting. If you would like to participate, please contact her on 07593 661848

sandra.williams@alzheimersdementiasupport.co.uk.

Alternatively, get in touch with Terrie or Santok. *Prior to joining this service, Sandra will have a Zoom with you, so we can get to know each other, learning about your interests, enabling the sessions to be tailored to those who participate.*

Out & About is a respite service, providing stimulating and fun days out for able people with early stage Dementia, who are still active. The service is designed to give Carers a welcome and much needed break.

There are 8 places on each service. Places are assigned after a successful assessment. In Maidenhead there are two services, each group meeting on alternate Tuesdays. In Windsor, we meet every other Thursday. Our programme is very varied, providing the opportunity to do things you have done in the past, or perhaps have a go at something new. Lunch is included, whether it be a picnic or a meal at a pub or restaurant.

To be eligible to take part in this respite service, you must:

- Have been diagnosed with early stage dementia
- Be mobile. We don't do hikes but you must be able to participate in a general stroll
- Be able to manage the steps of a minibus
- Be able to manage your own personal care
- Have transport to and from the service
- Commit to using the allocated space on a regular basis.

The service is led by Sandra Williams, our Out & About Service Co-ordinator, supported by a team of dedicated and experienced volunteers, who all have enhanced Disclosure and Barring Certificates. The many venues we visit, are all risk assessed, mindful of the individual needs of each attendee. The service is heavily subsidised by 'ADS'. We request a £20 donation, which includes refreshments, lunch, travel and admission charges.
